Hey Betsy –

BPD Sgt Detective John Rouvalis is working on a special case that involves drug evidence. He will be submitting the drugs himself on behalf of his unit. These drugs should be considered separate from the drugs we (at the drug depository) submit and pick up daily.

I know that is a little out of the ordinary. But is there any thing that you can think of that will make the process go as smoothly as possible? We have already given him instructions on the proper paperwork.

As always, thanks for all your help.

Rich
